**Your role as a chaperone:** We thank you for your help in keeping students on task, safe and respectful of the educators and other students. Since we pride ourselves in keeping all our stations “hands-on,” with as much student interaction as possible, we ask that all teachers and chaperones refrain from answering the educator’s questions or doing the activity for the student. We appreciate your help as you are a valuable participant.

**What to wear:** Be comfortable! We recommend that you dress in layers as you will need to chaperone students while they are engaged in indoor as well as outdoor activities. And we suggest closed toed shoes. During the cooler seasons, we recommend a hat and a pair of gloves; and, in the warmer months, please remember sunscreen, hats, sunglasses and a water bottle.

**Lunch:** Remember to bring a bag lunch and a drink. **There is no place to buy lunch.**

**Restrictions:** Please do not bring radios, tape/CD/MP3 players and video games. NO gum or candy are allowed. In addition, NO smoking, horseplay, alcohol or drugs are tolerated at the FDIMMP. We also ask that you turn your cell phone off during the trip.

**Respect:** Above all else, students, teachers and all participants should show respect for each other, the educators and their environments. This will ensure a fun, safe, and educational day for everyone. The Frederick Douglass-Isaac Myers Maritime Park and Museum reserves the right to remove any individual whose behavior may be deemed inappropriate or unsafe.
